Update Regarding Next Year and More

Respected Parents/Guardians,

Assalam Alaikum,

I pray you are all doing well and that you stay safe during these difficult times.

I realize many of you are anxiously waiting to bring your children back to AlBaqir Academy. We truly miss all students and long to see them back at the Academy soon, *inshallah*. The Alberta Minister of Education stated that she will be making a decision about schools by August 1st, at the latest. Once we hear back from the Minister, then we will inform you of her decision and how to move forward.

In addition, the Academy will be sending another e-mail later this week instructing parents when to bring back all books and equipment used to deliver the virtual classes. Moreover, report cards for term 3 will be sent via e-mail to all parents within the next two weeks, *inshallah*. Our dedicated staff at the Academy are also working on preparing a summer literacy and math packages for students to work on. It will be very helpful, and rewarding, for students to complete these packages.

Finally, I kindly request all parents to fill out the survey below, which will help us with the re-entry this coming fall, pending decision from The Alberta Minister of Education. I highly recommend you complete this survey as it will allow us to hear from you, learn about your expectations, and in doing so, may help provide us with some guidance so that we can be better prepared for the next academic year.

We truly appreciate your patience and continued support. Rest assured that despite the decision of the Minister, students of the Academy will continue to receive quality education and we will ensure they meet provincial academic expectations, if not exceed them.

Jazakum Allahu Khaira

Dr. Al-Atar
