Dear Parents/Guardians:

Assalam Alaykum,

Due to the rise in COVID-19 cases in Alberta, the Government introduced new measures yesterday affecting all schools in the province. As part of these new measures, all Grades 7 to 12 students province-wide will move to at-home learning effective this coming Monday, November 30th. ECS to Grade 6 students will continue learning at school in-person until the winter break.

After the winter break, all ECS to Grade 12 students across Alberta will be learning at-home for the week of January 4th, 2021 and will return to at school in-person learning on January 11th, 2021, inshallah. These shifts in learning surrounding the winter break are mandatory for all school authorities.

Students in Junior and Senior High are requested to take all their books and materials home on Friday so that they can smoothly transition to virtual learning next week. Parents requiring chromebooks are requested to contact the Academy to make all necessary arrangements.

We would like to kindly remind parents that if you or a family member has any symptoms of COVID-19 listed on our daily questionnaire, then please keep children at home and contact Health Link at 811.

We truly appreciate your help and cooperation during these difficult times.

Jazakum Allahu Khayra,

Imam Dr. Al-Atar
Principal
